There are currently three packet circuits providing different material to members. Can you please indicate which of these circuits you would like to be included on. (You may opt for any or all of the circuits)

Germany up to 1949 excluding Saarland 1947-1949

Post 1949 and Saarland post 1947

Postal History (whilst the packets in the two circuits above contain a mix of both stamps and postal history, this circuit is purely postal history)
