There are currently four packet circuits providing different material to members. Can you please indicate which of these circuits you would like to be included on. (You may opt for any or all of the circuits)

Germany 1872-1949 excluding States and Colonies and Saarland 1947-1949

States and Colonies

Post 1949 and Saarland post 1947

Postal History (whilst the packets in the three circuits above contain a mix of both stamps and postal history, this circuit is purely postal history)
