## **LIBRARY CATALOGUE – JOURNALS**

**(Books and articles from magazines are listed separately)**

The Library holds the Society's collection of books, articles from magazine and runs of journals put together over more than forty years. They describe various aspects of our hobby. This holding has been formed by purchase, gifts from Members and copies of books sent by their authors or publishers for review. The Society would like the Library to continue its healthy growth in all areas of Members' interests, so if you have appropriate books, articles or journals, why not donate them to the Library when you feel able?
